 7:30am – 5pm

Exhibitor Table Application

We invite you to participate as a vendor at our Rise Up conference! We are expecting a great turnout, with over 300 guests, and hope that you will join us! The cost for an exhibitor table is \$150. This includes a six-foot table with covering and skirting, two chairs, and a boxed lunch for two representatives. This sponsorship option does not include admission to any of the workshops. You can bring your own props, displays, table covering, etc. If you need additional space or a power source, please specify on this form. Once this form is submitted, we will review and send a confirmation email with payment options and more details. At that time we will request the names of your two representatives that will be present at Rise Up!
